To Whom It May Concern:

We are writing on behalf of the family of longtime firefighter with The Eddington Fire Company, Danny Bevans. Danny's wife, Danyelle, recently passed away after a courageous battle with cancer that has greatly affected his family both emotionally and financially. The Bevans family is one of the most generous and kind-hearted families known to the many people around them. He has served our community proudly for 16 years as a firefighter.

Danny and Danyelle have 3 beautiful children, Caitlin, 16 yrs old, a responsible young woman who has taken on greater responsibilities helping her Dad and siblings, Brianna, 11 yrs old, a beautiful young girl who has Autism and 2 yr old Little Danny, an innocent young boy who has surrounded the families' world with his angelic smile.

On Friday March 23rd, a benefit will be held for the Bevans family from 7-11pm at The Maltese Room, Bensalem. This benefit will provide financial stabilization for the children's future. The money raised will go towards the family's medical bills and a scholarship fund for all 3 children. If you could, we ask for your assistance in contributing to this event either in monetary form or through a donated item that will be auctioned off. All donations are greatly appreciated. Thank you in advance for your support and concern. Please contact the following for donations:
